

Risk & Finance

Understanding your financial responsibilities and managing the risk of an organisation is a key part of sitting on a board. All board members need to be confident and being able to understand the financial accounts of an organisation is an essential skill for board members.

We want to equip participants to ask questions around areas which are either not clear to them, or give cause for concern when looking at financial reports.

Content

Financial Literacy for the Boardroom

Topics covered will include:

- Directors' responsibilities with regards to financial accounts
- Contents of the Annual Report
- Balance Sheet, Profit & Loss, Cash Flow Statements
- Things to look out for when reviewing accounts
